7th International Conference on Information and Communication Technologies in Agriculture, Food and Environment (HAICTA 2015)

September 17-20, 2015, Kavala, Greece

Conference URL: http://2015.haicta.gr/

The conference is organised by the Hellenic Association for Information and Communication Technologies in Agriculture Food and Environment (HAICTA) with the support of its Branch in Northern and Central Greece in cooperation with a number of associated Institutions. HAICTA 2015 aims to bring together professional, experts and researchers working on Information and Communication Technologies in Agriculture, Food and Environment. Furthermore, another emphasis is put on the applicability of ICT solutions to real industry cases and the respective challenges.

</table>

Topics

We are accepting submissions of original research papers and posters for the main program and the doctoral consortium in all areas of ICT in Agriculture, Food and Environment including but not limited to:

* Decision Support Systems
* Information Systems, Database Systems
* Environmental Modelling and Simulation, Environmental Control Systems
* Environmental Impact Assessment, E-waste Management & Clean Technologies
* Environmental Design & Policy, Environmental Education
* Issues in ICT Adoption
* New technologies in Ecosystems Management, Forestry and Natural Resources
* Information Systems and Wild Life Management & Protection
* Wood Technology & Wood Products
* Flora and Fauna Management using ICTs
*ICT in Climate Change and Global Warming
*ICT in Cultivation and Pastoral Areas
*ICT in Rural Development
*Innovative Technologies in Agrotourism & Ecotourism
*E-business, E-commerce, E-government, E-learning and E-services
*GIS and Applications, Spatial Analysis & Landscape Planning
*Internet Marketing, Internet of Things and Web 2.0
*Ontology and Web Semantic
*Mobile/Wireless Applications in Agriculture
*Novel RFID applications
*Precision Farming Systems, VRT Technologies
*Green ICT Technologies
*Traceability
*Supply Chain Management & Logistics
*Environmental education

**Paper submission**

Papers will be accepted after single blind review process by at least three members of the Scientific Committee. For more details visit the [Submit a paper](#) link in the conference web site.

**Proceedings**

Accepted papers will be presented at the conference and included in the proceedings which will be deposited online in the CEUR workshop proceedings publication service, from where they will be permanently available and citable.

**Journal publications**

Selected high quality papers will be invited to be significantly updated and will be reconsidered for special issue publications in at least three scientific journals after the end of the conference.

For more details visit the [proceedings web page](#) of the conference web site.

**Important Dates**

**April 30, 2015**  
Submissions due (for every type of submission: full research papers, posters, doctoral consortium research papers).

**May 30, 2015**  
Notification of acceptance for all submissions.

**June 30, 2015**  
Camera Ready Paper Submission.

**17-20 September, 2015**  
Conference in Kavala, Greece.
Tutorials

We invite proposals for tutorials to be held in conjunction with the conference. Proposals should be submitted electronically by March 30, 2015 to the scientific committee chairs.
